

Seasonal Site Q & A

Can I have a Deck?

Yes! In our efforts to have a cleaner, more uniform look throughout the Campground. We have designed a modular deck that looks nice in style & build and can easily be moved if required . Please, inquire at the office for more Information, pricing, or to obtain deck plans.

We will help you determine the best configuration for the site. Our decks are made here & within our Campground Guidelines. The modular deck is approximately 6 ft X 12 ft and you may have the option of 1 or 2 additional deck sections depending on the size of the site.

- Modular Design
- Pressure Treated Wood
- Platform Style Deck
- Made to fit within site space

Can I have a Shed?

Yes, you can have one shed per site.

Shed must be no bigger than a total of 36 sq. feet. Rubbermaid Style - Vinyl/Plastic material (no metal or wood sheds) We recommend a solid base be placed under it.

Can I have a Gazebo or Sun Shade?

Yes, a pre-fabricated canopy tent style gazebo or sun shade (metal frame, soft top)

We will determine the appropriate size for the site - up to a 10 x 12. Gazebo cannot have its own separate deck. For safety reasons it cannot sit over or near the firepit area.

Can I have a Hammock?

Yes, but it must be free standing and NOT attached to any trees.

Can I have a fence around the site?

No, we do not allow sites (or decks) to be enclosed. We may *consider* a lower partial privacy fence if deemed appropriate. Please, inquire at office!

Can I build up an existing firepit?

Yes, we love to see firepits looking nice! We'd love to see your design ideas. Please, inquire at the office before starting any project!

Can I string up lights or have a clothes line?

Inquire about hanging lights on site before doing so.

A clothes line is not permitted due to safety issues.

Can I have a rock or flower garden?

Yes, this adds to the beauty of the sites and is a nice way to personalize a little bit. You will need permission from Management to start any project. Start with letting us know your layout, plants & shrubs you'd like to plant, and the materials you plan on incorporating.

Once approved, your design can begin!
